

BERNIEPORTAL PAYROLL

Time is money: Pay employees quickly and correctly

Accurate Data

The Payroll feature of BerniePortal seamlessly populates employee data for more accurate paydays. Employers can rest easy knowing an employee's benefit deductions, time and attendance, and PTO days will auto-populate every payroll run for that pay period. For further transparency and accuracy, employees can view their pay stubs directly from their BerniePortal account.

Tax Compliance

With automatic tax withholding, allow employers to rest easy knowing they are remaining compliant with every payroll run.

Dedicated Support

Help employers feel confident on payday with a designated BerniePortal support team of payroll experts. We recognize the importance of timely and accurate payroll, and from the moment implementation starts, BerniePortal is here to help.
